

DOCTOR OF PHILOSOPHY IN MANAGEMENT

(R2/0414/8/0051)(06/31)(MQA/FA4670)

Designed for those who aspire to lead the future of business through cutting-edge research. This rigorous program focuses on developing a deep theoretical understanding of management and equips you with advanced research methods to address complex business problems. By working closely with expert faculty, you will engage in innovative research that contributes to the advancement of management practices. The PhD in Management prepares you for academic or consultancy roles where you can influence future business strategies and teach the next generation of business leaders.

Why Choose Us?

- **International Collaboration:** Partnerships with global institutions and industry for enhanced research and networking.
- **Industry-Oriented Supervisors:** Experienced supervisors ensure research is both rigorous and relevant to real-world challenges.
- **Flexible Research Environment:** Supportive and adaptable, allowing candidates to balance academic, professional, and personal commitments.
